

12X ROI
**ON FREIGHT
INSPECTIONS***

SLASH YOUR CLAIMS RATIO

with the nation's leading freight inspection company

Unbiased, third-party freight inspections have been proven to reduce carriers' claims ratio. Our inspections routinely pay for themselves — and lots more. VFI's experienced inspectors drive value with best-in-class service.

**Fast.
Thorough.
Cost-Effective.**

Our groundbreaking, industry-leading technology:

- Simplifies the order process
- Ensures faster turnaround
- Delivers cost-effective, comprehensive reports

Since 2004, major carriers and 3PLs have trusted VFI to get the job done right.

**Find out why we're trusted with
25,000 inspections every year.**

Don't Truck Without Us

*That 12x ratio is no joke. Experts estimate that more than 50% of inspection reports lead to claims reductions. With an estimated average reduction of 30%, our customers have reported a 12x return on their investment in inspection reports.
